

Application Name	Website	iOS Cost	Operating System	Description	FAM Use	Notes	USFS LPL Comments
3D GIS	http://www.sivandesign.com/products/3dgis/3d-gis-app	subscription - \$????	iOS and Android	Three dimensional GIS analysis, offers 3D views as a cloud application.	Mapping	Free 30-day demo, made for utilities. Untested at this time.	Untested
3D Sun	http://3dsun.org/classic/	Free	iOS and Android	Tracks solar events - including solar flares.	Mapping	Push technology informs you of solar flares - can disrupt GPS signals and impact power grids. Designed for older devices.	Using to track solar flares
3D Sun (Interplanetary)	http://3dsun.org/i3dsun/		iOS and Android	Tracks solar events - including solar flares.	Mapping	Push technology informs you of solar flares - can disrupt GPS signals and impact power grids. Designed for older devices.	Using to track solar flares
Aero Weather Lite	http://www.aeroweather.ch/	Free	iOS				
AutoCAD 360	https://www.autocad360.com/products/mobile/	Subscription Levels: Pro = \$4.99/month or \$49.99/annual, Pro Plus = \$99.99/month	iOS and Android	For accessing Computer Aided Drafting (CAD) files	Mapping	Requires license for AutoCAD 360 - currently in beta. Untested.	Possible use with AutoCAD files - someday list
Avenza PDFMaps	http://www.pdf-maps.com/	Free	iOS and Android	utilizes georeferenced PDFs over available Topo maps, off line capable, GSP tracking, geotagging photos/waypoints and emailing data	Mapping	Android version beta	Using this one also - tracking uses in Region 5.
Backpacker Map Maker Lite	https://itunes.apple.com/us/app/backpacker-map-maker-lite/id521330600?mt=8	Lite = Free ; Pro = \$4.99	iOS	Trimble Backpacker - plan trips with maps and aerial photos	Mapping	Nice shaded topo basemaps. Mark waypoints, measure, estimate distance, compass.	Untested
Bamboo	http://www.wacom.com/en/us/everyday/bamboo-paper	Free, Full = \$1.99, plus charges for each tool, etc.	iOS and Android	Take notes and draw in. Works best with Wacom stylus.	Productivity		Untested
Bluetooth GPS	https://itunes.apple.com/us/app/bluetooth-gps/id384119064		iOS and Android	Shares GPS location info with devices that don't have GPS on.	Mapping	Untested. Ratings and comments very poor.	Untested
Calculator for iPad	https://itunes.apple.com/us/app/calculator-for-ipad-free/id398129933?mt=8	Free, Full = \$1.99, plus charges for each tool, etc.	iOS and Android	Normal & Scientific Calculator	Productivity		
CertTracker	http://lacountyfirefighters.org/index.cfm?titles=1&Section=25&PageNum=248		iOS	Tracks your certificates and pops up notifications when 30 or 60 days out	Productivity		Not using at this time - get better link!
Chrome	http://www.google.com/intl/en/chrome/browser/mobile/	Free	iOS and Android	Additional web browser	Internet	Using this when Safari or other browsers don't work.	Using
Commander Compass Lite	http://happymagenta.com/compass/index.html	Free, Full = \$3.99	iOS and Android	GPS with maps, can change units, coordinate conversions.	Navigation		Observed many using this.
Crisis Track	http://www.crisistrack.com/	Free plus subscription (\$??)	iOS and Android	Conduct field damage assessments after a disaster, track operations.	Productivity	Help with forms in field especially for FEMA assistance.	
Disaster Alert	http://www.pdc.org/solutions/tools/disaster-alert-app/	Free, can get annual subscription of \$9.99 to limit notifications to certain severity/locality area	iOS and Android	Multi-hazard monitoring application. Accesses the DisasterAWARE platform providing near real-time access to data on active hazards globally.	Notifications	Earthquakes, Fires, Tsunamis, Drought, Volcanos, etc. Push notifications	Using this all the time - you can request a login, Federal agencies can use without fees. Contact creators.
Discover Apps	https://itunes.apple.com/us/app/discover-apps-discover-new/id440101665?mt=8	\$3.99	iOS	Find apps that are similar to other apps - nice spider design for exploring the iTunes store	Productivity	This is really cool for finding new and old apps	Use a lot!
DJI Vision	https://itunes.apple.com/us/app/dji-vision/id669439159?mt=8	Free	iOS	Connect to your DJI UAV using this comprehensive tool	Mapping	Using a lot now!	
Dragon Dictation	http://dragondictation.org/	Free	iOS and Android	Speech recognition software	Productivity	Limited use, but works pretty well. 508A compliancy?	Untested
Dropbox	https://www.dropbox.com/mobile	Free	iOS and Android	Cloud based file storage/transfer.	Productivity	Very helpful.	Observed many teams using this.
Dual GPS	http://gps.dualav.com/	Free	iOS and Android	GPS for WiFi only devices	Navigation	Connects to Dual GPS 150X device. \$100 for device. Works great for non-GPS devices.	Air Attack using this with WiFi only devices. Works very well.
Earthquake by Red Cross	http://www.redcross.org/mobile-apps/earthquake-app	Free	iOS and Android	Red Cross Earthquake notification	Notifications	Has worked great for this - push notifications, set distances up to 500 miles. Developed by Red Cross.	Using this to track earthquakes - does very well.
EarthViewer	https://itunes.apple.com/us/app/earthviewer/id590208430?mt=8	Free	iOS	Earth's continents and oceans over geologic time	Mapping	Educational for geology geeks	Have used.
EMS Notes	http://emsoperations.com/	\$6.99	iOS and Android	Onsite documentation for EMS.	Productivity	N/A	N/A

Epocrates	http://lacountyfirefighters.org/index.cfm?titles=1&Section=25&PageNum=248	Free	iOS and Android	Mobile drug reference	Reference	N/A	Supported by LA County Firefighters Association
Esri ArcGIS	http://www.esri.com/software/arcgis/smartphones/arcgis-app		iOS and Android	Esri mobile application for ArcGIS - integrated with ArcGIS Online	Mapping	Hopefully they will flesh this out more and address crashes.	Observing and soon to use this more.
Esri BAO	http://www.esri.com/software/bao/		iOS and Android	Esri mobile app for Business Analyst Online	Mapping		Business Analyst software may not be of great use to fire
Esri Collector for ArcGIS	http://www.esri.com/software/arcgis/arcgisonline/apps/collector	Free	iOS and Android	Use in conjunction with AGOL or Portal account to collect spatial and form info in the field and attach photos and videos. Podcasts for how to use Collector available through iTunes store.	Mapping	DOI does not have ATO to use AGOL, so must be used with BLM Portal until approved. OR/WA S1 group has been testing. See ppt on BLM Portal homepage for more info with Android setup.	Watching developments on this one - hope to use in the next year
Esri GeoMobile	http://www.esri.com/software/arcgis/arcgismo/bile/	Free	iOS and Android	ArcGIS Online - integrated Collector here	Mapping		Watching and observing what is happening here.
Evernote	https://evernote.com/	Free	iOS and Android	Take notes, save and organize links, to do lists, voice notes, etc	Productivity	NY Times top 10 apps	Great possibility here - similar to OneNote
EyeMap Pro	http://appshopper.com/navigation/eyemap-%e2%80%93pro	Free	iOS	Photos with GPS locations - share	Mapping	Untested	Untested so far.
Facebook	https://itunes.apple.com/us/app/facebook/id284882215?mt=8	Free	iOS and Android	Social sharing site - many fire groups on FaceBook.	Social		Use this a lot to keep up with teams, colleagues, etc.
FaceTime	https://itunes.apple.com/us/app/facebook/id284882215?mt=8	Free	iOS and Android	Voice and Video communication	Social		Use this with colleagues and family
FCC Speed Test	http://www.fcc.gov/encyclopedia/broadband-speed	Free	iOS and Android	Tests your broadband speed - helps to create the speed map across the USA.	Networking	running this weekly, sometimes more.	Run this and contribute to the National Broadband map.
Feedly	http://feedly.com/index.html#discover	Free	iOS and Android	Organize your blogs, new, technical articles, etc - replaced Google Reader	Reference	Feeds to twitter, FaceBook, etc. Free version is very powerful.	I love this app - I use it all the time - following over 300 blogs here. In 2015 I will be able to share my lists as well.
Field Notes Pro	http://fieldnotesapp.info/	\$9.99	iOS and Android	Has the ability to georeference photos, integrate with GPS viewing, and share files	Unit log/Documentation	Android version pending	Untested.
File Browser	http://www.stratospherix.com/products/filebrowser/	\$5.99	iOS	File manager. Access all your files from one place. Including Dropbox, Google Drive, etc.	Productivity	Android app of the same name is not the same app!	Untested
Find Tower	http://www.appannie.com/apps/ios/app/find-tower-locate-all-the-cell-phone-gsm-towers-near-you/	\$3.99	iOS	Locates Cell Phone towers	Networking	Untested	Untested
Fire Weather Calc	http://www.blackcatsystems.com/iphone/weather_calculator.html	\$0.99	iOS	Black Cat - Calculations and conversions for altimeter setting, heat index, pressure, relative humidity, standard atmosphere, station pressure, temp, etc	Basic Fire		Untested
Fire Weather Calculations	http://firecenter.umd.edu/	Free	iOS and Android	UofMontana FireCenter created for wildland fire weather observation calculation and archiving tool: RH, FDFM, PIG. Can share through Dropbox, email, Google Drive.	Basic Fire	iOS pending	Untested
Firefighter Companion	http://lacountyfirefighters.org/index.cfm?titles=1&Section=25&PageNum=248		iOS	Fire Pump engine calculator to setup proper pressure in either Imperial or Metric measurments	Reference		Not using at this time - get better link!
FireWhat apps	http://www.firewhat.com/		iOS	multiple applications available	Basic Fire	Some Android applications	I can't get to any of their apps on the iTunes store or from any links on their website - do they really exist?
Flat Earth HD	https://itunes.apple.com/us/app/flat-earth-hd-satellite-image/id629783823?mt=8	Free	iOS	satellite images of whole earth in Azimuthal Equidistant projection	Mapping	Interesting, but not of much use.	

Flood	http://www.redcross.org/prepare/mobile-apps/flood	Free	iOS and Android	Red Cross flood app	Notifications	Flood notifications - uses push technology. Setup, but untested. Developed by Red Cross.	Loaded and setup
FltPlan Go	http://fltplan.com/	Free	iOS and Android	Download routes, weather, sectionals, etc from fltplan.com Some offline features, updated functionality.	Mapping		Untested
FltPlan Legacy	http://fltplan.com/	Free	iOS and Android	Download routes, weather, sectionals, etc from fltplan.com Some offline features.	Mapping	Don't use this one, use newer app fltplan go	Untested
Foreflight	http://www.foreflight.com/	App free but requires subscription to data (\$75 year/\$25 for 3 months)	iOS	aviation specific, flight planning	Mapping	Pilots utilize	Tracking this use - contacted developer early on to see if they could include KML or other overlays - at the time no. almost all of our pilots are using this app
FormConnectPro	http://www.formconnections.com/	\$14.99	iOS	Create forms. Comes with templates.	Productivity	Crashes often.	Untested
Gaia GPS/Offline Topo Maps	http://www.gaiagps.com	\$19.99	iOS and Android	Map app, download maps, collect GPS info, photos, export.	Mapping	Good app, but should be cheaper.	Nice app, great items for pilots, but sadly no easy upload of GIS maps - AWFUL method to load your maps and data.
Galileo Offline Maps	http://galileo-app.com/manual.html	Free	iOS	Downloads and browses maps when off line	Mapping		Untested
Genius Scan	http://thegrizzlylabs.com/	Free, Plus version \$6.99	iOS and Android	Scan capabilities	Productivity		Untested
GeoCam	http://www.prweb.com/releases/2011/5/prweb-8463275.htm	Free	iOS	Geolocated videos and allows for publication	Videography	HISTORIC - seems the company and application are no longer functional as of 2012	Untested
GeoJot+	http://www.geospatialexperts.com/ https://itunes.apple.com/us/app/geojot+/id571960382?mt=8	15 day trial free, but prescription cost at 3 levels after that is unknown http://www.geospatialexperts.com/GeoJot+%20iPhone%20iPad%20Android%20field%20data%20collection%20app.php	Android (iOS???)	Has the ability to customize specific documentation and data collection	Unit log/Documentation	USFS had listed as iOS and Android, but could not find on iTunes store, company website says works on iOS.	Untested
GeoViewer Mobile	http://www.nobel-systems.com/products/geoviewer-for-ipad/	Free	iOS	GIS at your fingertips	Mapping		Developed for utilities and allows access to SCADA and other utility systems. Testing
GIS 2go (Cadenza Mobile)	http://www.gis2go.com/	Free	iOS and Android	ArcGIS maps offline on your tablet (export from desktop)	Mapping	Would like to test eport from field notes back into 'desktop map'	Untested
GIS Kit by Garafa	http://gis.garafa.com/GISPro_%26_GIS_Kit/GIS_Pro_%26_GIS_Kit_for_iPhone_%26_iPad.html	\$99.99	iOS	Can import shapefiles and kmzs,cache maps for field use, fully offline capabilities, collect features in field, demos on website. For individual users (see GIS Pro for enterprise version).	Mapping	Would like to test but expensive, and not enterprise version - if test, makes more sense to test enterprise.	not purchased, but seeing other using this \$99.99 - not cheap either
GIS Pro by Grafata	http://gis.garafa.com/GISPro_%26_GIS_Kit/GIS_Pro_%26_GIS_Kit_for_iPhone_%26_iPad.html	\$299.99	iOS	Enterprise version of GIS Kit. Import shapefiles and kmzs, cache maps for field use, collect features in field, demos on website. Pro version allows: raster imagery import & export, use email for import/export or connect through iTunes, custom feature class template sharing, WMS for basemap options, convert shapefiles to KMZ and vice versa. Note says that a separate license is required for each user or each device.	Mapping	Not cost effective.	GIS Mapping - \$300 a little much!
Glympse	http://www.glympse.com/	Free	iOS	Shares your location with others for a specific period of time	Mapping	Seems more applicable for non-work situations.	Untested

Good Reader 4	www.goodreader.com	\$6.99	iOS	PDF (and txt) reader app, PDF page management (delete pages, etc), autosync, markup pdfs - comments, scribbles, etc. Access to storage (DropBox, Google Drive, etc)	Productivity	Migration from earlier version (price went up though). Seems good but have not tested personally.	Untested
Google Drive	https://www.google.com/drive/	Free	iOS and Android	File transfer/backup and view. PDF, photos, etc. Searchable	Productivity	Links to BLM email account and Google Drive using on desktop so makes it easier to transfer docs while mobile. Setup to take notes at conferences, etc. Very useful. May want to also install Docs and Sheets apps (new) for offline editing.	Untested
Google Earth	https://www.google.com/earth/	Free	iOS and Android	Explore earth from street view, 3D imagery, etc.	Mapping	Many users already familiar with so no learning curve.	Used frequently
Google Earth kmz Loader	website link not working	Free	iOS	Open kmz files	Mapping	Saved kmz files, but could not get it to load in GE, etc. so useless. Good idea, look if other apps (Android appears to have a bunch to handle kmz)	Untested
Google Hangouts	https://support.google.com/hangouts	Free	iOS and Android	Access Google Hangouts	Social	Sharing, video calls (mobile charges apply).	Use to access NASA Social hangouts and others of interest on mobile device
Google+	https://itunes.apple.com/us/app/google+/id447119634	Free	iOS and Android	Social sharing site through Google	Social		Use this frequently.
GoogleMaps	https://www.google.com/maps/	Free	iOS and Android	offline access, navigation	Navigation	Many users already familiar with so no learning curve.	Use this frequently.
GoToMeeting	http://www.gotomeeting.com/online/meeting/ipad-iphone-android-apps	Free	iOS and Android	Web meeting tool	Communication		Use this frequently.
GPS by MotionX	support.motionx.com/motionx-gps-drive/	\$0.99, but voice assisted navigation requires \$10/year subscription	iOS	Emulates a driving GPS, like Tom-Tom. Voice. But need internet connection and subscription	Navigation	Subscription of only \$10/year is cheap, but not clear on how its that much better than built in free iOS map app.	Observed this being used on incidents.
GPS HD by MotionX	support.motionx.com/motionx-gps-drive/	\$1.99	iOS	Emulates handheld GPS unit - save multiple tracks, waypoints, etc. Topo maps are very basic. Export/emails .gpx, .kmz, and .jpg.	Mapping	Yes, can create tracks, cheaper than Gaia, and features, but more complicated.	Observed this being used on incidents.
GPS Log	http://gpslogapp.com/	\$7.99	iOS	Log your tracks	Mapping	Not sure why this costs more than other free options	Not sure if this is worth the \$\$ - untested.
GPSnote	http://vladalexa.com/apps/ios/gpsnote/	Free	iOS and Android	Add, edit, and delete notes on a map. Lists city and country when create note. Can change coord system in settings.	Mapping	Not different enough from Avenza/Gaia	Testing
HazMat Reference and Emergency Response Guide	www.thatsmystapaler.com/erg/	\$4.99	iOS	Reference material for HazMat (2012). Similar app for Android.	Reference		Not using at this time - get better link!
HazMat Reference and Emergency Response Guide	https://itunes.apple.com/us/app/hazmat-reference-emergency/id385775821?mt=8	Free	iOS	Reference/Educational tool	Reference	Supported by LA County Firefighter Assoc - http://lacountyfirefighters.org/index.cfm?titles=1&Section=25&PageNum=248	Untested
Helispots (Los Angeles County)	www.forcereadiness.com	Free	iOS and Android	LA County Fire Fighter app for locating Helispots	Mapping	LA specific	Automation of helispot book
Hootsuite	https://hootsuite.com/features/mobile-apps	Free	iOS and Android	Twitter feed aggregator - follow lists, trending, hashtags, etc in updating columns	Social	Social media centralization.	Love this - I use it all the time! Great way to handle the flood of twitter streams.
Hurricane by American Red Cross	http://www.redcross.org/mobile-apps/hurricane-app	Free	iOS and Android	Red Cross app for hurricane notifications	Mapping	Hurricane notifications - uses push technology. Developed by Red Cross.	Setup, but not tested
iAnnotate PDF	http://www.branchfire.com/	9.99 (free on Android but less capabilities)	iOS and Android	Read, mark up, share pdf, doc, ppt, and image files.	Productivity	Good app, but had problems getting it out of app and back to the office (via BLM Google email, etc.). Some other, cheaper pdf apps may be more useful for folks.	Untested

iGIS	http://www.geometryit.com/igis/	Free	iOS	GIS on iOS - load shapefiles of any data created by ArcGIS, set colors, zoom levels, gather points, lines and polygons - now allows for field forms.	Mapping	Can be used for all sorts of GIS data using Google Earth as a back drop. Caching of Google now works better. GPS locator fully functional on WiFi (using DualGPS) and cellular iOS devices.	Lorri uses this to support distribution of the Fire Retardant Avoidance data in California.
iGov GIS	http://www.mansfieldma.com/html/ipad_applications.html	Private	iOS	GIS application developed for Bristol County Public Health Emergency Preparedness Coalition	Emergency Response	Private application	Untested
iMovie	www.apple.com/support/ios/imovie	\$4.99	iOS	Edit and shorten videos.	Videography	Trying to figure out if need \$30 Apple Camera Download Kit.	Untested
Incident Command Table	http://appshopper.com/productivity/incident-command-table	14.99 iOS and \$9.99 Android	iOS and Android	Draw up training scenarios, conduct after action reviews, tactical icons on satellite images, share with colleagues, etc.	Productivity	Digital command board for mission planning, AAR, accountability. May have uses for IC/Ops	Untested
Incident Response Pocket Guide	no longer available	Private	iOS and Android	Pocket Guide for incident response using NWCg publication NFES 1077	Reference	Supported by LA County Firefighter Assoc - http://lacountyfirefighters.org/index.cfm?titles=1&Section=25&PageNum=248	Untested
InciNotes	http://incinotes.com/index.html	\$249.99	iOS	Unit Logs, resource tracking, ICS 209 documentation	Unit log/Documentation	Cost prohibitive.	Expensive - untested
iPrintScan (Brother)	http://welcome.brother.com/sg-en/support-downloads/iPrintNScan.html	Free	iOS and Android	Brother WiFi printer support	Printing	Have not personally tested	Works great!
iQRReader	https://itunes.apple.com/us/app/qr-reader-for-iphone/id368494609?mt=8	Free : Pro \$0.99	iOS and Android	Scans QR codes and can access PDF maps and files.	Scanning	Test and compare against Qrafter	Using, but favorite is QRReader
Jotter	http://www.groosoft.com/jotter/	\$0.99	iOS	Notebook app	Productivity	Untested	Untested
Junos Pulse	kb.juniper.net	Free	iOS and Android	For VPN use	Networking	Must be installed and utilize to access BLM network. See separate document.	Untested
LA County Paramedic	http://lacountyfirefighters.org/index.cfm?titles=1&Section=25&PageNum=248	\$5.99	iOS and Android	LA County Paramedic application for accessing drugs used and home medications	Reference	Medical LA County Specific	Not using at this time
LACoFD Fire Station Directory	http://lacountyfirefighters.org/index.cfm?titles=1&Section=25&PageNum=248	Free	iOS and Android	LA County Fire Fighter app for locating Fire Stations.	Basic Fire	LA specific	Using this one also - tracking uses in Region 5.
Lightning Finder	http://www.lightningfinder.com/products.php https://itunes.apple.com/us/app/lightning-finder/id406162876?mt=8	\$5.99	iOS	lightning mapper on your iOS device - includes 1 hour history	Lightning		Untested
LinkedIn	http://www.linkedin.com/mobile	Free	iOS and Android	Professional Networking tool	Social	Good for professional groups and get updated info but wade through a lot of extraneous info.	Use this for professional networking
LiveLightning	http://www.lightningmaps.org/realtime https://itunes.apple.com/en/app/live-lightning/id541468577?mt=8	Free	iOS	Live lightning mapper - defaults to Europe - tool will allow you to "see" USA with some manipulation	Lightning	Works pretty good - other than the default being Europe	Used during 2014 season - worked very well for seeing activity.
LivingEarth	http://www.livingearthapp.com/	\$2.99	iOS	3D weather map	Weather	Great for conveying regional trends but not worth purchasing unless identified use.	Interesting application for weather.
LogTen Pro	http://coradine.com/	Pilots Logbook \$59.99 and Universal Pilot Logbook \$79.99	iOS	Aviation app/pilot logbook.	Aviation	Untested	Untested
Lookout	https://www.lookout.com/	Free	iOS and Android	Security app for finding your device when it is lost or stolen	Security	Untested	Untested
Maps 3D	https://itunes.apple.com/us/app/maps-3d-gps-tracks-for-bike/id391304000?mt=8	\$4.99	iOS	Mapping & GPS works off line - full topographic maps	Mapping	Untested. Must use link to find in app store, not sure why.	Untested
Maps.Me Lite or Pro	https://itunes.apple.com/us/app/maps-with-me-lite-offline-map/id431183278?mt=8	Lite = Free ; Pro = \$4.00	iOS and Android	Download maps worldwide, cache for offline viewing and GPS location.	Mapping	Seems not as valuable as similarly priced (or free) apps!	Untested
MDT Guide	http://lacountyfirefighters.org/index.cfm?titles=1&Section=25&PageNum=248	Free	iOS	LA County Fire Fighter app for common commands used in LA County on Mobile Data Terminals	Reference	LA Specific	Not using at this time.

Microsoft Excel for iPad	https://itunes.apple.com/us/app/microsoft-excel-for-ipad/id586683407?mt=8	Free (full editing need Office 365 subscription)	iOS and Android	Free version opens Excel files, Office 365 subscription needed for editing and creating docs	Productivity	Test and compare against QuickOffice. iSpreadsheet free reviews much better!	Testing Free
Microsoft OneNote	https://itunes.apple.com/us/app/microsoft-onenote-for-iphone/id410395246?mt=8	Free (sign up for free MS account)	iOS and Android	Free version opens OneNote files, purchase and you have full editing	Productivity		Testing Free
Microsoft PowerPoint	https://itunes.apple.com/us/app/microsoft-powerpoint-for-ipad/id586449534?mt=8	Free (full editing need Office 365 subscription)	iOS and Android	Free version opens ppt files, Office 365 subscription needed for editing and creating docs	Productivity	Test and compare against QuickOffice.	Testing Free
Microsoft Tag	https://itunes.apple.com/us/app/microsoft-tag/id298856272?mt=8	Free	iOS and Android	Microsoft Tag - QR like codes used in USA Today and other magazines.	Scanning		Use frequently
Microsoft Word	https://itunes.apple.com/us/app/microsoft-office-mobile/id541164041?mt=8	Free (full editing need Office 365 subscription)	iOS and Android	Free version opens ord files, Office 365 subscription needed for editing and creating docs	Productivity	Test and compare against QuickOffice.	Testing Free
Milestone Mobile	http://www.milestonesys.com/Software/XProtect-Clients/Milestone-Mobile/	Free	iOS and Android	On the go surveillance - used during 2014 Happy Camp incident to connect live video streams for air attack personnel.	Mapping		used during 2014 demo of Air Attack video sharing
MyRadar Weather Radar	http://myradar.topapp.net/	Free; Pro \$1.99	iOS and Android	Animated weather radar for current location, can pan to other areas. Contiguous US states only.	Weather		Use frequently
MyTopoMaps by Trimble Outdoors	http://www.mytopo.com/index.cfm?pid=google&gclid=CLLbq4L7yr0CFdKGfgod-lwADA	Free; Pro \$4.99	iOS	Trimble topo maps, aerial photos, satellite, public land, hunting maps, boundaries, etc. Plan trips, order printed waterproof route map. Pro allows store maps for offline use.	Mapping	Better than Avenza?	Testing
myTracks	https://itunes.apple.com/us/app/mytracks-the-gps-logger/id358697908?mt=8	Free	iOS	free GPS logging application for iOS	Mapping		Untested
Net Analyzer	https://itunes.apple.com/us/app/network-analyzer-ping-traceroute/id557405467?mt=8	Lite = Free; Full = \$2.99	iOS	Network analyzer - ping, traceroute, whois, DNS, net speed, port and wifi scanners	Networking		Testing
NOAA Weather Alerts	https://itunes.apple.com/us/app/noaa-weather-alerts-severe/id417906074?mt=8	\$3.99	Mobile Web	subscription. Use link, could not find via App Store search.	Weather		Have others that do this - did not purchase
NOAA Weather Radar	https://itunes.apple.com/us/app/noaa-weather-radar/id486059426?mt=8	\$1.99	iOS and Android	NOAA alerts pushed to device within minutes of NWS issues	Weather		Like this!
NOAA World Radar	https://itunes.apple.com/us/app/world-radar-free-noaa-weather/id649264704?mt=8	Free/\$1.99	iOS	World radar from NOAA	Weather		Use for other areas of the world
Notability	http://www.gingerlabs.com/cont/notability.php	\$2.99	iOS	Handwriting, pdf annotation, typing, reocrding, and organizing. Currently on sale \$1.99	Productivity		Untested
NotesSuite	https://itunes.apple.com/us/app/notesuite-notes-to-do-lists/id546509673?mt=8	\$2.99	iOS and Android	Note taking, task management, document annotation, etc.	Productivity		Untested
Numbers	http://apple.com/ipad/features/numbers.html	\$9.99	iOS	Spreadsheet program (like Excel)	Productivity	Did not test, Quickoffice better ROI.	Untested
Offline Topo Maps	http://blog.gaiagps.com/apps/	\$9.99	iOS	Simplier version of Gaia GPS, simple topo app.	Mapping	Purchase Gaia if going to get one from this developer. (so that it includes GPS tracker).	Observed some incident teams using this
Pages	http://apple.com/ipad/features/pages.html	\$9.99	iOS	Word Processor with many templates.	Productivity	Did not test, Quickoffice better ROI.	Untested
Panoramio	https://play.google.com/store/apps/details?id=com.google.android.panoramio	Free	Android	loads photos to Google	Mapping	Did not test, only on Android, not updated since 2008.	Google shut this down on iOS
PDF Expert (by Readdle)	http://readdle.com/	\$9.99	iOS	Edit PDF docs. Currently on sale for \$4.99.	Productivity	Untested	Untested
Perfect Reader	https://itunes.apple.com/app/perfectreader-pro-fast-beautiful/id419336553?ign-mpt=uo=6&mt=8	\$4.99	iOS	PDF reader and annotator and converter.	Productivity	Untested	Untested
Photo Mapo	http://www.photomapo.com/	\$0.99	iOS	Map your photos	Mapping		Testing - in beta now and free
Photosynth	http://photosynth.net/	Free	iOS and Android	Shoot wrap around panorams (synths) and share them.	Photography		Great app! Has some intereting possibilities
